PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT UNDER 37 CFR 1.181(a)

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

A Notice of Abandonment has been mailed for the above referenced application. The Notice states that the abandonment is for failure to timely file corrected drawings as required by, and within the three-month period set in, the Notice of Allowability (PTOL-37).

Applicants respectfully petition, under 38 CFR 1.181 for withdrawal of the holding of abandonment. The Notice of Abandonment was mailed in error; Application 10/722,993 was abandoned in error.

As can be seen from the file history, no drawings corrections or new drawings were ever requested.

The Notice of Allowability (PTOL-37) of 1 April 2008 did not include an "X" under item 5 that would indicate new drawings are needed. There was however an X under (b) that refers, in error, to a paper No./Mail Date" of 26 March 2008. However, applicants never received such paper, nor does the record indicate any such paper was mailed. Nor were any drawing corrections ever discussed with the examiner.

Applicants searched the file history of information sent, and also that available in the UPSTO's electronic system (PAIR), and further have contacted the Examiner's SPE and verified that no amended drawings were required. Applicants also informally contacted the Office of Publications to informally confirm that no drawing were ever required.

Applicants thus petition to for withdrawal of the holding of abandonment.

Applicant(s) request a telephone call to the undersigned at (510) 547-3378 if there are any matters to discuss that might help expedite issuance of the patent of this application.

Respectfully Submitted,

Date: July 31, 2008
